# A COLOURFUL F.A.Q.

## What IS the colour made of?

The colour is a powder made of cornstarch and non-toxic dye. It is very safe.

## Is this a competition?

No, this run is all about having fun and being part of the community. You are encouraged to run/wheel at whatever pace you like. It will not be timed.

## I don't want the colour, can I still participate?

Yes! You can skip the colour stations.

## Is there an age limit for younger people?

There are no limits for this event. If you can run/walk/wheel this distance you are welcome to participate. However, if you are under the age of 18, a guardian must sign a waiver before the start of the race in order to participate.

## How do the different fees work?

- Individuals pay a \$20 registration fee, or raise \$20 in pledges.
- Families pay a \$40 registration fee, or raise \$40 in pledges.
- Families are defined as a maximum of 5 people (2 parents/guardians, 3 children under the age of 18 who are still living at home. Children 2 and under are free.)
- Teams/organizations can either pay a \$20 registration fee per team member OR if raising pledges must raise at least \$20 in pledges per team member. After the event Rotary will send a cheque for 50% of what your group raised.

**To qualify as a team:** you must have 5 or more members (including coaches).

*If you are unsure if you qualify as a team, contact the Rotary office 705-945-1279.*

## How does registration work?

Pre-registration will take place on Friday, July 14th from 10am-4:30pm at the Canadian Bushplane Heritage Centre (*strongly encouraged for teams*) and on Saturday, July 15th from 9am-10:20am before the race.

## Is there a dress code?

You are encouraged to be creative and wear as much white as possible. Just remember: the dye from the colour may be difficult to wash out.

## Can I use my bike or rollerblades?

No. We only allow "wheels" that are part of mobility equipment, or strollers.

## Can I bring my pet along?

No pets, please.

## Do the colour stations cause vision problems or breathing problems?

It is unlikely the colour stations will cause these sorts of problems. If you are still unsure, we will be providing you with a pair of sunglasses that will help protect your eyes. You can also wear a dust mask or bandana to protect your nose and mouth.

## Will there be cleaning stations at the finish line?

No, so you may want to keep a change of clothing on hand and lay down a towel for the car ride home.

## Can I just volunteer?

Absolutely! We have lots of volunteer opportunities, and would love your help. The Miracle Mile Colour Blast is just one of the many events we are putting on this year at ROTARYFEST. ROTARYFEST could not happen without the 400+ volunteers that help out.
