A COLOURFUL F.A.Q.

What IS the colour made of?

The colour is a powder made of cornstarch and non-toxic dye. It is very safe.

Is this a competition?

No, this run is all about having fun and being part of the community. You are encouraged to run/wheel at whatever pace you like. It will not be timed.

I don't want the colour, can I still participate?

Yes! You can skip the colour stations.

Is there an age limit for younger people?

There are no limits for this event. If you can run/ walk/wheel this distance you are welcome to participate. However, if you are under the age of 18, a guardian must sign a waiver before the start of the race in order to participate.

Can I use my bike or rollerblades?

No. We only allow "wheels" that are part of mobility equipment or strollers.

IS there a dress code?

You are encouraged to be creative and wear as much white as possible. Just remember: the dye from the colour may be difficult to wash out of different materials.

How does registration work?

Pre-registration will take place on Friday, July 18th from 10:00am-4:30pm at the Canadian Bushplane Heritage Centre (skip the line) and on Saturday, July 19th from 9:00am-10:20am before the race.

Can I bring my pet along?

No pets, please.

Do the colour stations cause vision problems or breathing problems?

It is unlikely the colour stations will cause these sorts of problems. If you are still unsure, we will be providing you with a pair of sunglasses that will help protect your eyes. You can also wear a dust mask or bandana to protect your nose and mouth. If you have any condition that may affect how you react to this sort of activity, we encourage you to use your best judgement.

Will there be cleaning stations at the finish line?

No, so you may want to keep a change of clothing on hand and lay down a towel for the car ride home.

Can I just volunteer?

Absolutely! We have lots of volunteer opportunities, and would love your help. The Miracle Mile Colour Blast is just one of the many events we are putting on this year at ROTARYFEST. ROTARYFEST could not happen without the 400+ volunteers that help out.
